

“Kid Sprinkles”

{verse 1}

Grey days are just bland
There's no taste on the tongue
And when random sadness hits
Even us children don't feel young

{verse 2}

Until hope's served at all meals
And potential poured over top
Happiness won't return in full
And mankind's endless poverty stops

{pre-chorus}

Joy's the only flavor this world must adopt!

{chorus}

Out of the shadows
above the clouds
Kid sprinkles must be allowed
'cause it's time we all ate
Full plates and healthy sides
Time kid sprinkles arrived
Time kid sprinkles arrived

{verse 2}

Don't even bother looking up
Know all lids and bottles turn apart
We're more than able to pour blessings
No act of mercy too difficult to start

{pre-chorus}

Here come our colors, shapes and hearts!!

{chorus}

Out of the shadows
above the clouds
Kid sprinkles must be allowed
'cause it's time we all ate
Full plates and healthy sides
Time kid sprinkles arrived
Time kid sprinkles arrived

{bridge}

—falling down like sugar drops
—adding love with a gentle pop
—oh so tasty and always a treat
—kid sprinkles scream life is so sweet!
—as abundance rests at our tired feet!!

{chorus}

Out of the shadows
above the clouds
Kid sprinkles reach us proud
'Cause it's time we all ate
Full plates and healthy sides
Time kid sprinkles arrived!
Time kid sprinkles arrived!

{reprise chorus}

Beyond sad tears
We've heeded the call
Yes kid sprinkles flavor us all
No more hunger
Old wars and raw hate
Kid sprinkles are Christ incarnate
Yes, kid sprinkles are Christ incarnate

{outro}

... Dear God ...
... let our beautiful world finally breathe ...
.... please use us as sprinkles ...
.... so the heavens can see
