

The 4 of Hearts – Divine Masculine – Lyrics

Dive

[verse 1]

Standing at the crossroads
there is nowhere left to hide
Heaven waits impatiently
for lost love dead inside

[verse 2]

I've let daydreams go
passed up moments to shine
Now regret's on my heels
and I'm ready to take back time

[chorus]

Dive... away from all the blame
Dive... with everything to gain
Dive... head first like drops of rain
Because when it's time to dive...
Fate will know my name

[verse 1]

It only takes a splash to swim
no more following golden rules
When that rush of luck arrives
watch me jump in as if on cue

[chorus]

Dive... away from all the blame
Dive... with everything to gain
Dive... head first like drops of rain
Because when it's time to dive...
Fate will know my name

[bridge]

— There's a passion in my heart
— ancient history can't erase
— I'm a legend in the grand design
— yes, no one can take my place!

[chorus]

Dive... away from all the blame
Dive... with everything to gain
Dive... head first like drops of rain
Because when it's time to dive...
Fate will know my name

[outro]

One day... critics will say I'm made of solid gold...
'til then I was born to break the mold!!!

The 4 of Hearts – Divine Masculine – Lyrics

Discipline

[verse 1]

In a world full of glitter
where lust covers blight
I swim in seas less known
Guided by ancient lights

[verse 2]

In viral seas of pleasure
I scream of a spiritual fight
Is the measure of every man
the sum he believes to be right?

[pre-chorus]

No wonder demons take such delight!

[chorus]

Let riches flow like rivers
as castles turn into sand
I refuse to accept abundance
Great fortune without discipline...
Discipline
Discipline

[verse 1]

I've mined skies of diamonds
Seen glory blow up my phone
Yet wealth drowns purpose
Until emptiness dies alone

[verse 2]

In gardens of good and plenty
Crimson roses hide knife thorns
Where souls are lost, not found
And animal spirits are adorned

[pre-chorus]

No shock fame refuses my throne!

[chorus]

Let riches flow like rivers
as castles turn into sand
I refuse to accept abundance
Great fortune without discipline...
Discipline

[bridge]

—there's beauty in simplicity—
—divine lessons real and true—
—like laughter from my inner child—
—who dares to sing and play the blues—
—but first God's hand must approve!!

[reprise chorus]

Let riches flow like rivers
as castles turn into sand
I refuse to accept abundance
Great fortune without discipline...
Discipline...
Discipline...
Discipline...

[outro]

In contentment lives Her kingdom
Yet we pray for something more
If only joy thrived by discipline
So greater goods could endure

The 4 of Hearts – Divine Masculine – Lyrics

Life Boat

[verse 1]

I've been shouting from the bow for years,
But the crowd went deaf, dumb, blind to the fear
Now the Titanic of America hit the ice berg,
Hull torn wide—as once hidden cabals surge

[pre-chorus]

Steel is cracking, salt water rushing cold,
Once unsinkable, so many stories left untold

[chorus]

Get in my life boat, it's dropping down fast
An iron ship sinking, lies ain't built to last
Get in my life boat, who you gonna save?
Blessings into burdens when you're riding on the wave
Get in my life boat... no anchors today

[verse 2]

The more you're given, the more you must give
Earth and Mars waiting on those who will live
If duty's too heavy, burn the notes, walk away
'Cause to stay in the boat—means a life the Aquarian way

[chorus]

Get in my life boat, it's dropping down fast
An iron ship sinking, lies ain't built to last
Get in my life boat, who you gonna save?
Blessings into burdens when you're riding on the wave
Get in my life boat... no anchors today

[bridge]

—Now you're the mercy maker
—heavy burdens stick inside your throat
—judgement on who's pulled from the water
—or left to swim home in rough seas
—Neutral eyes saw it coming
—guess the verdict now falls on me
—yes... the verdict now falls on me!!

[reprise chorus]

Get in my life boat, it's dropping down fast
An iron ship sinking, lies ain't built to last
Get in my life boat, who you gonna save?
Blessings into burdens when you're riding on the wave
Get in my life boat... no anchors today
It's the only life boat, ignore all cries in the dark
Fishing one by one, only healers make the ark
God be with us, server that Bretton Woods link
This is the end of a world...
And the start of rebirth... we think...
Life boat...
Life boat...
Life boat...

[outro]

You were warned... informed... and adorned...
Time all willing souls left this deadly storm....

The 4 of Hearts – Divine Masculine – Lyrics

Man To Man

[verse 1]

Born into my father's fight
I had no dreams beyond midnight
And whenever bedtime came
my world went dark behind his pain

[pre-chorus]

—He said sacrifice yourself, surrender to a plan
—'Cause this is what it means to be an honest man

[chorus]

My love ... is unconditional
New foot prints need fresh sand
Please let... me exist as I am
Dad, this talk is man to man
... straight up man to man

[pre-chorus]

—He said show me one victory, then you're free to run
—Until that special day you're just my lazy son

[chorus]

My love ... is unconditional
New foot prints need fresh sand
Please let ... me exist as I am
Dad, this talk is man to man
... straight up man to man

[pre-chorus]

—How could my all not be enough
—confidence fled trying to be tough
—Never respecting trails I blazed
—I lived so far beyond his maze

[chorus]

My love ... is unconditional
New foot prints demand fresh sand
Please let... me exist as I am
Dad, this talk is man to man
... straight up man to man

[bridge]

—Damn you pops—
—my Innocence was too strong—
—greatness never lived in you—
—how could you be so wrong—
—how could you be so wrong!!!

[reprised chorus]

My love ... is unconditional
New foot prints need fresh sand
Please let ... me I exist as I am
Dad, this talk is man to man
... straight up man to man
Momma ... didn't make me weak
Just had to remove your heavy hand
Anger's ... not how adults interact
How can I make you understand!
Oh, how can I make you understand!!!

[outro]

I love ... you unconditional
You know I'm your biggest fan
But life's ... hard enough to exist
Dad, I'm talking man ... one man to another man

The 4 of Hearts – Divine Masculine – Lyrics

Flying

[chorus]

Man I feel like flying
But no one knows my name
Yes I feel like flying
Like something needs to change
Flying far away
Flying far away

[verse 1]

Every night I spent alone
my future seemed so unknown
Why does patience beg me to stay
If my dreams just drift astray

[pre-chorus]

I don't understand
Good accidents happen everyday

[chorus]

Man I feel like flying
But no one knows my name
Yes I feel like flying
Like something needs to change
Flying far away
Flying far away

[verse 2]

Nothing is out of my reach,
I know life's lessons are free
Seven days make me so weak
has my life reached its highest peak

[pre-chorus]

Help me understand
Why heaven hides before I seek

[chorus]

Man I feel like flying
But no one knows my name
Yes I feel like flying
Like something needs to change
Flying far away
Flying far away

[cello solo 1]

[bridge]

—cello solo there's a circus inside my head
—How much water must I tread
—'Cause when I'm flying, tears stop crying
—And nothing goes unsaid!!

[reprise chorus]

Man I feel like flying
As people now learn my name
Yes I feel like flying
Because I'm overdue for change
Flying far away
Flying far away
Man I feel like I'm flying!
Yes I feel like I'm flying!
Flying high ... today...
hope my soul doesn't fly too far away

[cello solo 2]

The 4 of Hearts – Divine Masculine – Lyrics

Today

[verse 1]
Today I believe...
That all pain will retreat
As my healing angels arrive
Dropping miracles at my feet

[verse 2]
Today I forgive...
Every doubt that steals peace
And anyone who's wished me harm
Bitterness is not my record to keep

[chorus]
Because today... I'm alive
In this moment, strengthened by pride
Breaking chains that bind me to fear
A journey blessed and crystal clear
That's where I am... today
Right where I am... today

[verse 1]
Today I trust
Sad tears will flow from love
And wisdom finds me sane
So I'm awake when grace white gloves

[verse 2]
Today I dream
That Heaven has approved
Bring on suffering's end
As the old surrenders to new

[chorus]
Because today... I'm alive
In this moment, strengthened by pride
Breaking chains that bind me to fear
A journey blessed and crystal clear
That's where I am... today
Right where I am... today

[bridge 1]
—Happiness is faith living out loud—
—God protects all who serve Her proud—
—'Cause what I need's already on loan—
—even sorrow can't pay the debts I owe!!!

[instrumental solo 1]

[chorus]
Because today... I'm alive
In this moment, strengthened by pride
Breaking chains that bind me to fear
A journey blessed and crystal clear
That's where I am... today
Right where I am... today

[bridge 2]
—If I just dream, trust, forgive, believe—
—On this hospital bed... I shall receive—
—Grace to mend these broken bones—
—And send my worried family home!!!

[reprise chorus]
Because today... I'll survive
In this moment, so happy I could cry
Breaking chains obsessed with the fear
A journey long, honest and sincere
That's where I am... today
Even if I can't stand... today

[outro]
... with prayer... I am healed
... everyday... I am healed
... walk again... without wheels
... because today... I am healed

[instrumental solo 2]

TODAY

Today I can *believe*...
painful wounds will heal,
angles fly silent around me,
that I am a living miracle.

Today I will *forgive*...
myself when I fail,
people who dishonor my name,
fears that restrict my soul.

Today I do *know*...
tears always flow from love,
faith can calm a nervous mind,
a worthy path's beneath my feet.

Today I shall *dream*...
so joy can gain momentum,
genus answers a prayer's request,
my sad heart beats without pain.

Today I must *trust*...
God protects me in every moment,
all life is meaningful and sacred,
and what I need I already have.

The 4 of Hearts – Divine Masculine – Lyrics

Wait

[verse 1]

Days turn to weeks, weeks to years
checking my phone, fighting back tears
Poured out my heart, laid it on the floor
But that door shut, she's not calling anymore

[pre-chorus]

Feels like nothing's happening,
Every almost has me losing faith
But something deep in my soul
Says delays are part of the show

[chorus]

So I wait... wait... even if tears won't weep
Yes I wait... wait... so alone, got to go deep
Watch me wait... wait... no speed left to cruise
Cannot wait... wait...
Time ain't playing by the rules

[verse 2]

Is this what I asked for?
Laying low, always playing small
Or are mountains awaiting
Till the day I can see them all!

[chorus]

So I wait... wait... even if tears won't weep
Yes I wait... wait... so alone, got to go deep
Watch me wait... wait... no speed left to cruise
Cannot wait... wait...
Time ain't playing by the rules

[bridge]

—I'm a planted seed, right where I stand
—trusting process, in the palm of Her hand
—love never wastes, I'll live my wildest dreams!
—cause my kingdom's built on self-esteem!!

[pre-chorus]

Every "no" is progress, every detour a sign
Carving a future, quality's the bottom line!!

[reprise chorus]

So I wait... wait... even if tears won't weep
Yes I wait... wait... so alone, got to go deep
Watch me wait... wait... no speed left to cruise
Cannot wait... wait...
Time ain't playing by the rules
Truth comes late... late... a bigger blessing looms
Grace hesitates... tates... no more wiggle room
I must wait... wait... who am I to be so free
Take whatever face assigns to me
It's divine fate... fate...
master the wait... wait...
miracles take time to bloom!
Just have to wait... wait...
Please help me wait... wait...
Teach me to wait... wait...
So my song sings humble in tune...
Guess I'll wait... wait...

[outro]

A world's not made in an afternoon...

The 4 of Hearts – Divine Masculine – Lyrics

Low Man Wins

[verse 1]

Storm winds blow—chests getting tight
Egos are rising—who'll succeed tonight
Blood running hot—men wanna fly
Only lion's know—jungle kings can die

[pre-chorus]

Better drop those shoulders, bend them knees
here comes thunder overwhelming vanity!

[chorus]

Low man wins, yes the low man wins
Feet on the ground, where true power begins
No train can run hot when it's leakin' oil
So root in love—devout, kind and loyal
'Cause low man wins, yes low man wins

[verse 2]

Tough's in my marrow—telling me why to live
Everyone must bow—find strength to forgive
Let others chase crowns—build their brand names
I'll be on the floor—broken but alive I remain

[pre-chorus]

In the scrum—there I shall fight
—raw power projecting—leading hearts to the light!

[chorus]

Low man wins, yes the low man wins
Feet on the ground, where true power begins
No train can run hot when it's leakin' oil
So root in love—devout, kind and loyal
'Cause low man wins, yes low man wins

[bridge]

—see the haters rise—let them fall like rain
—feel every loss deep—learn to praise the game
—when victory happens—don't lift up that chin
—stay low baby boy—never glorify a sin!!!

[reprise chorus]

Low man wins, yes the low man wins
Feet on the ground, where true power begins
No train can run hot when it's leakin' oil
So root in love—devout, kind and loyal
'Cause low man wins, yes the low man wins
Said low man wins, each low man wins
Hold back the greed, trees can't reach the sky
'Cause real heros know how not to fly
Know low man wins, yes the low man wins...
Watch a low man win, help the low man win

[outro]

Lies always end ... where God's truth begins...

The 4 of Hearts – Divine Masculine – Lyrics

Obey

[verse 1]

Circles float in my eyes
They chase bad memories away
Now I stand enraged, ready to love
Bad results and dragons slayed

[pre-chorus]

-- leave me be -- trouble and disharmony know me -- a loyal slave of mastery

[chorus]

What if ... I refuse to obey
Play nice and follow rules
What if ... I'm told to go away
Madness from heartless fools
What if ... they drive me crazy
Status quo's way too cruel
Never will I obey
Never will I obey

[verse 2]

Born colorful like a rainbow
I arrived covered in sunshine
Only to have my heart beaten
Quarters pulled, living out their lie

[pre-chorus]

-- lead me safely -- through this insanity --
I only walk -- in shoes of destiny!

[chorus]

What if ... I refuse to obey
Play nice and follow rules
What if ... I'm told to go away
Madness from heartless fools
What if ... they drive me crazy
Status quo's way too cruel
Never will I obey
Never will I obey

[bridge]

—Heal my wounds, ripped opened long ago—
—Give me hope, a deep reason to re-engage—
—How do I pay debts, my body won't spend?—
—please break me now 'cause I refuse to bend!!

[chorus]

What if ... I refuse to obey
Play nice and follow rules
What if ... I'm told to go away
Madness from heartless fools
What if ... they drive me crazy
Status quo's way too cruel
Never will I obey
Never will I obey

[outro]

—So Lord am I a superhero?
—share your truth with me today—
—a divine child or comic parody—
—what if ... I promised to obey?—
—what if ... I promised to obey?—
—what if ... I promised to obey?—
—I would ... surrender everything I am ... today.

The 4 of Hearts – Divine Masculine – Lyrics

Why

[verse 1]

How come true love never wins?
When does global peace kick in?
Life makes me sigh, start to cry
Seems like joy's just on the fringe
Didn't Christ absorb all sin?
Just no more lies, let my sad tears dry

[pre-chorus]

—In that place where hope meets faith
—prayers still run a most human race!

(chorus)

Questions hide quiet in the silence
but love's voice won't be denied
Wish I had the answers
Why we ask why
Why we ask why

[verse 2]

Will my soul ever find its place?
Do bent knees ever lift with grace?
Will I survive and be ready to rise
What if I dismiss pride and haste
So my stride is right on pace?
It's worth a try, seems we all live to die

[pre-chorus]

—Beyond the pale of time and space
—if I'm with breath divine is my grace!!

[chorus]

Questions hide quiet in the silence
but love's voice won't be denied
Wish I had the answers
Why we ask why
Why we ask why

[pre-chorus]

—please show me a better compromise
—'cause life's beating down my heart size!!!

[reprise chorus]

Knowing beckons more madness
as healers rush to harmonize
Maybe we are the answer
Why we ask why
Why we ask why
Can't ignore fate's battle cry
even if hope is buried alive
Maybe love is the answer
Yes, love is the answer
Sweet love is just why
Pure love is my why
The Godly answer ...
... to every why...
... to every why

The 4 of Hearts – Divine Masculine – Lyrics

Dew Off The Leaf

[verse 1]

Hiding in the dark, can't see no sunshine
But here I am alive, dreaming my one crime
I've been playing small, too afraid to win
As perfect intention builds from within

[chorus]

Thought all along I had something to say
God what went wrong, is everything ok?
How long do I wait on the edge of belief
When I'm ready to fall... like dew off the leaf
... like dew off the leaf

[verse 2]

Life is heavy, tender hearts just can't bear
'Cause when laughter goes, what's left is despair
I've been patient, hopeful, that I would succeed
Convinced my garden was ripe with destiny

[chorus]

Thought all along I had something to say
God what went wrong, is everything ok?
How long do I wait on the edge of belief
When I'm ready to fall... like dew off the leaf
... like dew off the leaf

[bridge]

—heard all along a shy voice when I prayed
—telling me be calm in each moment of the day
—but luck takes some time, faith resting in belief
—guess, I'll just have to fall... fall... fall...
—and let gravity pull my feet!!!

[reprise chorus]

Knew all along I had something to say
What's my next song, seems everything's ok!
When did I get the nerves of a thief
God, I'm so ready to fall... like dew off the leaf
Yes... dew off the leaf
Knew all along I had something to say
Christ it took so long, but everything's ok
No more prayers to remove all my grief
Just watch as I fall... like dew off the leaf
Yes... dew off the leaf

[outro]

Can't help but take... a big sigh of relief....

The 4 of Hearts – Divine Masculine – Lyrics

Trouble (Cover) **by Cat Stevens**

Oh, trouble set me free
I have seen your face
And it's too much, too much for me

Trouble
Oh, trouble can't you see
You're eating my heart away
And there's nothing much left of me

I've drunk your wine
You have made your world mine
So won't you be fair
So won't you be fair

I don't want no more of you
So won't you be kind to me
Just let me go where
I'll have to go there

Trouble
Oh, trouble move away
I have seen your face
And it's too much for me today

Trouble
Oh, trouble can't you see
You have made me a wreck
Now won't you leave me in my misery

I've seen your eyes
And I can see death's disguise
Hangin' on me
Hangin' on me

I'm beat, I'm torn
Shattered and tossed and worn
Too shocking to see
Too shocking to see

Trouble
Oh, trouble move from me
I have paid my debt
Now won't you leave me in my misery

Trouble
Oh, trouble please be kind
I don't want no fight
And I haven't got a lot of time

The 4 of Hearts – Divine Masculine – Lyrics

Bombay Cafe

[chorus]

Welcome to the Bombay Café
where misery serves men hard gin
We accept each and all lost souls
who dare confess their mortal sins

[verse 1]

A neon sign enjoys its buzz
drenched in a silent midnight mist
As regulars drink at the bar
pound for more liquor with a fist

[verse 2]

In the corner sits a husband
so sad his heart swims in a beer
But it's the vodka and highball
that keeps his mind from being clear

[chorus]

Welcome to the Bombay Café
where misery serves men hard gin
We accept each and all lost souls
who dare confess their mortal sins

[verse 3]

On a cell phone calls a father
his children waiting up in bed
But before he can say goodnight
a past demon silences him dead

[chorus]

Welcome to the Bombay Café
where misery serves men hard gin
We accept each and all lost souls
who dare confess their mortal sins

[verse 4]

At the wheel swerves a good man
broken his life's no longer new
The brown bag sitting at his side
ignores his home coming full view

[chorus]

Welcome to the Bombay Café
where misery serves men hard gin
We accept each and all lost souls
who dare confess their mortal sins

[outro]

Welcome to the Bombay Café...
Welcome to the Bombay Café...
Welcome to the Bombay Café...
who dare confess their mortal sins!

The 4 of Hearts – Divine Masculine – Lyrics

Midnight Blue (Original) by Lou Gramm

Ain't got no regrets
I ain't losing track of
Which way I'm going
I ain't gonna double back, no

Don't want no misplay
Put on no display
An angel? No!
But I know my way, oh yeah, oh

I used to follow
Yeah, that's true
But my following days are over
Now I just gotta follow through

I remember what my father said
He said, "Son, life is simple"
It's either cherry red or
Midnight blue, oh, oh
Midnight blue, oh, oh

You were the restless one
And you did not care
I was the trouble boy
Lookin' for a double dare

I won't apologize for
The things I've done and said
When I win your heart
I'm gonna paint it cherry red

I don't wanna talk about it
What you do to me, I can't live without it
And you might think that it's
Much too soon for us to go this far

Into the midnight blue, oh, oh
It's midnight blue, oh, oh

— Things could be different
— That'd be a shame 'cause
— I'm the one who can feel the sun
— Right in the pouring rain
— I won't say where
— and I don't know when
— Soon there's gonna come a day, baby
— I'll be back again
— Yeah, I'll be back for you!
— You see, I'm saving up, my love!

Midnight blue, oh, oh
Into the midnight blue, oh, oh
Another midnight blue, oh, oh
The deepest midnight blue, oh, oh
Into the midnight blue, oh, oh
Midnight blue, oh, oh
Midnight blue, oh, oh
The deepest midnight blue, oh, oh
