Little Birdie

[verse 1]

Finally up on the green
Gotta get it in the hole
Can't be scared to win
No stopping my rock when it rolls

[pre chorus]

No more looks... not the time to hesitate!

[chorus]

Fly, fly, fly little birdie
Please nest in that cup today
Turn, turn, turn little birdie
Bad things are just a brake away
Run, run, run little birdie
There's greatness coming your way
Yes, there's greatness coming your way

[verse 2]

How did I get so lucky
To be this close to fame
Am I leaning on someone's life work
Or here to build my own brand name?
Cue the dark clouds, time to make it rain!

[pre-chorus]

Not afraid to play hard when a stroke sub par awaits
But what if I run it by hot will my legend just evaporate?!

[chorus]

Fly, fly, fly little birdie
Please nest in that cup today
Turn, turn, turn little birdie
Bad things are just a brake away
Run, run, run little birdie
There's greatness coming your way
Yes, there's greatness coming your way

[bridge]

—No guarantees up ahead
—Maybe I'm totally offline
—Pray my aim is pure and true
—'Cause it's too late to realign
—Heros need mountains to climb!!!

[chorus]

Fly, fly, fly little birdie
Please nest in that cup today
Turn, turn, turn little birdie
Bad things are just a brake away
Run, run, run little birdie
There's greatness coming your way
Yes, there's greatness coming your way

[reprise chorus]

Be, do, have little birdie
'Cause goin' low's the only way
Head, hands, feet little birdie
Hopefully the blade's hot per se
One, two, three little birdie
My best better be enough today
My best better be enough today!

[outro]

'Cause making little birdies is why we play
... day after day after day after day...

MULLIGANS - DETROIT GROOVE - LYRICS

One Day

[verse 1]

What if I had everything
The view my dreams give to me
Would fate spin around, make life profound, feel blessed and set free?

[verse 2]

What if my unanswered prayers
Suddenly got responses
Would fortune wait, fame hesitate or demand something new?
Will my kingdom ever align as I see all the invisible signs

[chorus]

Maybe—one day
Won't have to quietly obey
Knowing life's gone my way
Maybe—one day
One day

[verse 1]

Why be a slave to history
When I'm firm in my beliefs
Have I lived all wrong, been too headstrong, are dues old mythology?

[verse 2]

Hope failure ends so heartbreak mends
and dumb luck violently ricochets
Will my kingdom ever align as I see all the invisible signs

[chorus]

Maybe—one day
Won't have to quietly obey
Knowing life's gone my way
Maybe—one day

[bridge]

—or is there still something more
—tears to shed, prayers gone unsaid
—please show me a better way
—be more thankful for circus bread
—'cause it's time my wings spread
... please ... before I'm long gone and dead

[instrumental solo]

[reprise chorus]

I know my kingdom will align
Despite the fear in modern times
Hopeful—one day
No more crying into winds
Trusting my life is not some sin
Just for—one day
One day...
One day...
Someday...
One day...
One day...

Handicap

[intro]

Gimme a minute to express my damn self!

[instrumental solo]

[verse 1]

Help me up,
Off the floor
Enough's enough,
Even ain't the score

[verse 2]

I'm not evil or weak ice tea;
But a man's a man, nothin' wrong with me

[pre-chorus]

Overlooked, misunderstood, handsome, as good looks should

[chorus]

Guess I'm my own handicap
A broken mold, chipped and cracked
Yes, I'm my own handicap
Just a gentleman under attack
Now I'm my own handicap
Mad as hell ... no one's got my back!

[verse 2]

If anyone asks, not an astronaut;
A man on fire, ask any duck that quacks

[pre-chorus]

Angry as hell, wanting respect; I cannot see what the babes reject!

[chorus]

Guess I'm my own handicap
A broken mold, chipped and cracked
Yes, I'm my own handicap
Just a gentlemen under attack
Now I'm my own handicap
Mad as hell ... no one's got my back

[bridge]

—when did awesome drive off the track—
—what will it take to stop all your smack—
—how come wealth's become a handicap—
—no more burns, women have gone whack—
—dear pretty ponies ... I'm just stating facts!!

[reprise chorus]

Ok, I'm my own handicap
I don't much care, feel free to react
Yup, I'm my own handicap
No real man lets his world subtract
Watch me own my handicap
Watch me own my handicap
Watch me own my handicap!!!

[outro]

Ladies who want love ... best to pack a snack ...
'cause this race horse ... has no handicap...
... yeah ... it's like that ...

MULLIGANS - DETROIT GROOVE - LYRICS

Again

[verse 1]

Love made a tender sound
I heard it's melody singing somewhere deep inside of me
But when you let me down,
my faith was never quite the same
memories remain
I gave all my innocence to you

[verse 2]

The passion in your eyes gave me reason to believe
You were all I needed to be free
I never said goodbye and now regret has led me home again

[pre chorus]

How can soulmates ever be just friends?

[chorus]

Life raced by, we moved on and our dreams went unrealized
Now we're here, overcome with fear
Living in the past ... will this feeling last?
Does our love deserve a second chance?

[verse 2]

The actor in me tried to stand beside you from the start
Guess I was afraid to play the part
You showed me how to fly
What if I never find pure love again

[pre-chorus]

Must our romance have a tragic end?

[chorus]

Life raced by, we moved on and our dreams went unrealized
Now we're here, overcome with fear
Does our love deserve a second chance?

[bridge]

--Trusting me again breaks all the rules
— You always had so much to prove
--And I know how much you have to lose
— My hearts alive with hope that one day
--we'll say fate has let us fall in love again

[chorus]

Life raced by we moved on and our dreams can be realized!
Now we're here, overjoyed with tears
You're my destiny
I will always love you
Baby, you have all of me again

Funky Vibe

[chorus]

Can anyone catch my funky vibe?
It's loud and clear, makes the people wanna fly
Said can anyone hang with my funky vibe?
Who cares where it ends, you'll know the moment it arrives
Will you trust my funky vibe!

[verse 1]

In the streets, where we like to meet
Way above the clouds, where joy surfs the crowd

[verse 2]

Here without a roof, we'll sing us a love song
Before rains come, so hate can't tag along

[pre-chorus]

Big adventures like to cruise up high; no runways, just blue open skies!

[chorus]

Can anyone catch my funky vibe?
It's loud and clear, makes the people wanna fly
Said can anyone hang with my funky vibe?
Who cares where it ends, you'll know the moment it arrives
Will you trust my funky vibe!

[bridge 1]

—connect into your creative core
—dig deep and just let the magic roar
—live free of pain filled screams
—enjoy a life few dare to dream!!

[chorus]

Can anyone catch my funky vibe?
It's loud and clear, makes the people wanna fly
Said can anyone hang with my funky vibe?
Who cares where it ends, you'll know the moment it arrives
Will you trust my funky vibe!

[bridge 2]

—Old can't survive
—cause there's only air for new
—Baby, let's have us some fun
—Live all past lives, one by one
—Giving faith, hope and love as we go
—Now's the time, the world wants a show!

[chorus]

Can anyone catch my funky vibe?
It's loud and clear, makes the people wanna fly
Said can anyone hang with my funky vibe?
Who cares where it ends, you'll know the moment it arrives
Will you trust my funky vibe!

[reprise chorus]

Everyone should know my funky vibe
It has no fear, eliminates the biggest why
Why do some still doubt my funky vibe?
Asking where it begins, denying to live life fully alive
They just can't trust another's vibe
Can't believe that I'm the guy
I'm sure worth a college try
Feel my funky vibe... hold my funky vibe... touch my funky vibe...

MULLIGANS - DETROIT GROOVE - LYRICS

Now Is Our Time

[verse 1]

Ever see a comet tail dive into a crawl?
Ever dance 'til sunrise as sleep says last call?
Ever run wild with half ton Spanish bulls?
Or eat a buffet meal and deny that you're full?

[pre-chorus]

Only real alpha dogs dare hunt the wolves!

[chorus]

Now is our time to live or die
Relentlessly—and fully alive!
Now is our time for fight or flight
Enough's enough, here comes the light
Yes, now is our time!
Now is our time!

[verse 2]

Never look straight into a blinding sun
Never cry out from complete boredom
Never slash old treadless tires
Or blow kisses into a raging fire

[pre-chorus]

How come the bravest souls are called liars!

[chorus]

Now is our time to live or die
Relentlessly—and fully alive!
Now is our time for fight or flight
Enough's enough, here comes the light
Yes, now is our time!
Now is our time!

[instrumental solo]

[bridge]

... Welcome to the Monster's Ball ...
... where soulless beings rose a matrix wall ...
... personally, I think they had no choice...
... but God said they must now be revoiced
... 'cause reptilians hiss some deadly noise!

[reprise chorus]

Now is our time to live or die
Relentlessly—and fully alive!
Now is our time for fight or flight
Enough's enough, here comes the light
Yes, now is our time!
Now is our time!!!
Patiently... we ask the world to be refined
... finding strength to leave the hell behind
What if now is really our time
Of free will, right on time
Hope love comes online

[outro]

Know the three one three, awaits a judgment sign

MULLIGANS - DETROIT GROOVE - LYRICS

Love Love Love

[intro]

For Goodness sake, can I please have some attention
... thank you

[verse 1]

We're all souls in search of solace, a human psalm of harmony
Ancient flowers in one garden, generations from one seed

[verse 2]

Love has endless hidden faces, like dogs playing in fall leaves
Or a shy rose blooming open, they all help my heart to see

[pre-chorus]

But no matter nature, reason or expression...

[chorus]

Love love love
Yes love love love
I said love love love
Straight from above
Straight from above

[verse 2]

It's grandpa's laughter filling silence, building castles in the sand
Serving mercy to the homeless, love is heaven's gift to man

[pre-chorus]

But no matter nature, reason or expression

[chorus]

Love love love
Yes love love love
I said love love love
Straight from above

[bridge]

—love soars where archangels fly
—swims bold in rough seas
—amazing we are loved so much
—yes, you same as me...
—yes, you same as me...

[pre-chorus]

But no matter nature, reason or expression

[chorus]

Love love love
Yes love love love
I said love love love
Straight from above

[reprise chorus]

You are love
And I am love
Baby we are love
From way up above

[outro]

The only words that may bring us some justice
... God is love
... IAM love

MULLIGANS - DETROIT GROOVE - LYRICS

Tattletale

[verse 1]

Playgrounds make me nervous
Snitching fools sure do talk
Now I'm alone with my thoughts
As our teacher connects the dots

[verse 2]

Got no beef with my brothers
Just mad love for sweet sisters
Unsure about my absent father
Raw hate for career ass-kissers

[pre-chorus]

... Best I rise up to meet this threat
... Before hell breaks loose and power objects!

[chorus]

Nobody likes a tattletale
Whether yesteryear or today
They'll just blab, blab, blab
Put my darkest secrets into play
Yes... nobody likes a tattletale
Not rehearsed or unchecked
They spill beans so easily,
and laugh at my worst defects
nobody likes a tattletale

[verse 2]

Echoes from a wild child,
As spies dig up the past dirt
Swear to God, they even take a vow
Then in minutes be loud crying fowl

[pre chorus]

... Help me hide each truth that I hold
... So squealers won't ruin my show!

[chorus]

Nobody likes a tattletale
Whether yesteryear or today
They'll just blab, blab, blab
Put my darkest secrets into play
Yes... nobody likes a tattletale
Not rehearsed or unchecked
They spill beans so easily,
and laugh at my worst defects
nobody likes a tattletale

[bridge]

—Narks love to spread their dread
—Sneak quiet inside of your head
—But give too much they'll swap tales for gain
—curse and defame my family name!!!

[chorus]

Nobody likes a tattletale
Whether yesteryear or today
They'll just blab, blab, blab
Put my darkest secrets into play
Yes... nobody likes a tattletale
Not rehearsed or unchecked
They spill beans so easily,
and laugh at my worst defects
nobody likes a tattletale
nobody likes a tattletale
Every liar should be train wrecked
Nobody likes a tattletale
Lying lips must be made to respect

[outro]

Hope one day may their deepest fears...
... are mine to serve. honor and protect

MULLIGANS - DETROIT GROOVE - LYRICS

Second Shot

[verse 1]
Driving fast in the moment
Living wild but going nowhere
Cities changing in a blur
Brought me here, constant detours

[verse 2]
Thought destiny sat beside me
The big tour no longer in my bag
Time to know who I really am
Don't care if people even give a damn

[pre-chorus]
Guess I'll have to sleep alone tonight
wait until the moment feels just right

[chorus]
Gimme, gimme, gimme a second shot
Because I've changed--time teaches a lot
Said gimme, gimme, gimme a second shot
Let's turn the page--maybe even re-engage
All I need is a second shot...
Gimme one second shot

[verse 2]
Mother's strict supervision,
left an open wound
Now I might try to implode,
can't predict when I'll bloom

[pre-chorus]
But I'm done with living nameless
Baby, I need to maximize these fumes!

[chorus]
Gimme, gimme, gimme a second shot
Because I've changed--time teaches a lot
Said gimme, gimme, gimme a second shot
Let's turn the page--maybe even re-engage
All I need is a second shot...
Gimme one second shot

[bridge]
—Stumbled home, yeah I took a bad fall—
—Lost my way, now I'm back to re-live it all—
—Hometown whispers, shadows from the past—
—Let's tee us back up, endure each contrast—
—Taste victory, two old souls who dared last!!!

[reprise chorus]
Gimme, gimme, gimme a second shot
Because I've changed--time teaches a lot
Said gimme, gimme, gimme a second shot
Let's turn the page--maybe even get engaged
All I need is a second shot...
Gimme one second shot
Just one second shot...
Promise to give all I got
Sacred's our second shot
Love will tie the knot

[outro]
Please give us a second shot

Return Myself

[verse 1]

Vivid dreams flash my mind
watching them makes me blind
New dreams never made sense
Most were grandiose to decadent

[pre-chorus]

But when I saw your teen face, such happiness can't be erased
Baby, love's the time, date and place

(chorus)

Why did I crave control
Can't go back as we grow old
Holding firm to what my heart knows
Youthful days, one sacred soul
No more lyrics or love songs
Time to right what I made wrong
And return myself to you
Yes, return myself to you
Return myself to you

[verse 1]

It's curious how things work out
Not a day goes by I did not doubt
Let's play catch up and re-engage
Hope your mother non-violently behaves

[pre-chorus]

Enough with childish mistakes, growing up means saving face
Even if I must show up and say grace

[chorus]

Why did I crave control
Can't go back as we grow old
Holding firm to what my heart knows
Youthful days, one sacred soul
No more lyrics or love songs
Time to right what I made wrong
And return myself to you
Yes, return myself to you
Return myself to you

[bridge]

—as I walk through your front door
—I remember why I had to leave before
—never was it religion or cultural
—it was me avoiding a painful fall
—now I'm back to win them all!!!

[instrumental solo]

[reprise chorus]

Girl, I don't need control
Moving on, let's rewrite this show
Leaning into what our hearts feel
Wedding vows, rings, cake and meal
Endless lyrics and love songs
Time to mend what took too long
And return myself to you
Just return myself to you
Answering the family call
And surrender all fears ... I do ... I do...

Only In Corktown

[verse 1]
Seventeen hundred saw the Euros arrive
Pelts and trees, they pillaged native lands dry
Missionaries with guns, fought Three Fires and Five Nations
But they couldn't stop endless British Army formations

[verse 2]
Using red and black hands... a slave class was imposed
Arriving by the boatloads, Irish culture quickly rose
From autos to live music, the Midwest Paris came alive
Only to disappear, when dark secrets buried in salt mines

[pre-chorus]
Gateway to the west, Le Detroit had soon formed
All that's left now is what slum landlords can't foreclose!

[chorus]
Only in Corktown ...
Only in Corktown ...
An Anglo model of perpetual exploit
Only in Corktown ...
Only in Corktown ...
A fast river with decayed antique forts
Only in Corktown ...
Only in Corktown ...

[bridge]
--from first assembly lines to fair daily pay
--the city by the strait has come a long way
--gone are Motown and safe factory jobs
--in it's place clean technology looms large

[pre-chorus]
People just want to keep their house and yard!!

[chorus]
Only in Corktown ...
Only in Corktown ...
An Anglo model of perpetual exploit
Only in Corktown ...
Only in Corktown ...
A fast river with decayed antique forts
Only in Corktown ...
Only in Corktown ...

[outro]
When will the next windfall come...
nobody here really knows ...
can't dim light that eternally glows ...
'cause love will always carry on ...
yes love will always carry on ...
If only in Corktown ...
If only in Corktown ...

I Believe In You (Dance Mix)

[verse 1]

I told you... I told you so
I told you, girl
I told you... I told you so

[pre-chorus]

You'd better think about it

[chorus]

I believe in you
But if you don't believe in me
I'll be leavin' you
You better think about it
I believe in you
But if you don't believe in me
I'll be leavin' you
You better think about it

[verse 2]

Whenever you called
I would come running
Really didn't matter
For you I would ride, baby
'Cause that was my style, baby, yeah
Now you're acting all funny
Withholding your honey
And kissin' my buddies
And dissin' my gigs, babe

[pre-chorus]

But that's how I live, baby, yeah yeah

[chorus]

I believe in you
But if you don't believe in me
I'll be leavin' you
You better think about it
I believe in you
But if you don't believe in me
I'll be leavin' you
You better think about it

[bridge]

—I know you got diamonds and pearls on your mind
—You know I'm on the grind, but you can't wait, baby
—You're tryin' to play it safe, baby you're working my nerves
—And I don't deserve, I'm standing on the verge
—Of getting it on... listen to the words to this song, baby!

[outro]

I believe in you, but if you don't believe in me
I'll be leavin' you
You better think about it
I believe in you, but if you don't believe in me
I'll be leavin' you
You better think about it ...
You better think about it ...
You better think about it ...

We Are Family (Revibe)

[chorus]

We are family
I got all my siblings with me
We are family
Get up, everybody, and sing!
We are family
I got all my siblings with me
Yes, we are family
Get up, everybody, and sing!

[verse 1]

Everyone can see we're together
— (As) As we walk on by
And we flock just like birds of a feather
I won't tell no lie
— (All) All of the people around us, they say
"Can they be that close?"
Just let me state for the record
We're giving love in a family dose!

[chorus]

We are family
— Hey, hey, hey, yeah
I got all my siblings with me
— Uh-huh, uh-huh
We are family
Get up, everybody, and sing
— Sing it to me
We are family
I got all my siblings with me
Yes, we are family
Get up, everybody, and sing!

[verse 2]

Living life is fun and we've just begun
To get our share of this world's delights
High hopes we have for the future
And our goal's in sight
No, we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong, oh-no, this is our family jewel!

[reprise chorus]

We are family
— Hey, hey, sing it to m
I got all my siblings with me
— Yeah, yeah, sing it with me
We are family
— Oh, I can hear you now
Get up, everybody, and sing
— Ooh-ooh
We are family
— Hey, hey
I got all my siblings with me
Yes, we are family
— Love has just begun for me
Get up, everybody, and sing!

MULLIGANS - DETROIT GROOVE - LYRICS

Lo Stretto (Italian)

[Strofa 1]

Lussureggianti e puri i miei primi passi a riva
Tanta promessa, bellezza oltre ogni leggenda viva
Selvaggina correva infinita tra gli alberi fitti
Suoli così fertili da sfamare dinastie intere e miti

[Pre-Ritornello]

Tra due sponde, un fiume possente scorreva
Profondo e stretto, pesci saettavano come frecce in volata

[Ritornello]

Guarda lo stretto
Dove la perfezione abbonda
Inspira lo stretto
Acqua limpida, veloce e profonda
Schizza nello stretto
Il suono più sacro della vita che risuona
Roma reclama lo stretto
Un gioiello prezioso che si dona

[Strofa 2]

Barche e canoe, vanno e vengono senza sosta
Portano provviste, l'aria vibra di tamburi nativi in festa
Tesori attendono in questo nuovo mondo che raccogliamo
Semi vanno piantati più in basso del dolore che proviamo

[Pre-Ritornello]

Un raccolto glorioso, lode al nostro Figlio che si è arreso
Ma colonizzare questa terra sarà più fatica che gioco acceso

[Ritornello]

Guarda lo stretto
Dove la perfezione abbonda
Inspira lo stretto
Acqua limpida, veloce e profonda
Schizza nello stretto
Il suono più sacro della vita che risuona
Roma reclama lo stretto
Un gioiello prezioso che si dona

[Ponte]

—Possiamo resistere all'ira della natura feroce
—O quando la peste colpirà il nostro piccolo paradiso
—Dobbiamo prepararci per inverni mortali e atroci
—Raccogliendo il raccolto mentre le temperature salgono improvvisi
—Così da esistere autosufficienti e forti
—E superare le sorprese della tragedia che ci coglie!!

[Ritornello]

Guarda lo stretto
Dove la perfezione abbonda
Inspira lo stretto
Acqua limpida, veloce e profonda
Schizza nello stretto
Il suono più sacro della vita che risuona
Roma reclama lo stretto
Un gioiello prezioso che si dona

[Outro]

Lo stretto metterà alla prova se la mia salvezza si piegherà...
Denunciando ogni peccato, dall'inizio, nel mezzo e alla fine che verrà...

MULLIGANS - DETROIT GROOVE - LYRICS

The Strait (English)

[verse 1]

Lush and pure were my first steps ashore
So much potential, beauty beyond all lore
Wild game running endless through trees
Such fertile soils, enough to feed dynasties

[pre-chorus]

Between two banks, a mighty river did flow
Deep and narrow, fish swimming like arrows

[chorus]

Behold the strait
Where perfection abounds
Inhale the strait
Clear water fast and profound
Splash in the strait
Life's most sacred sound
Rome claims the strait
A precious jewel found

[verse 2]

Boats and canoes, traveling to and from
Carrying supplies, air filled with native drums
Treasures await in this new world we reap
Seeds must be planted lower than pain is deep

[pre-chorus]

A glorious haul, praise be our Surrendered Son
But settling this land will be more toil than fun

[chorus]

Behold the strait
Where perfection abounds
Inhale the strait
Clear water fast and profound
Splash in the strait
Life's most sacred sound
Rome claims the strait
A precious jewel found

[bridge]

—can we endure the wrath of nature
—or when plague finds our little paradise
—we must prepare for deadly winters
—taking harvest as temperatures rise
—so that we may exist self-sufficient
—and overcome tragedy's surprise!!

[chorus]

Behold the strait
Where perfection abounds
Inhale the strait
Clear water fast and profound
Splash in the strait
Life's most sacred sound
Rome claims the strait
A precious jewel found

[outro]

The strait will test if my salvation does bend...
Denouncing all sin beginning, middle and end...
