

Perfect Couple – Wedding Album – Lyrics

Beautiful Day

(Original by U2)

The heart is a bloom, shoots up through the stoney ground
There's no room, no space to rent in this town
You're out of luck, and the reason that you had to care
The traffic is stuck, and you're not moving anywhere
You thought you'd found a friend to take you out of this place
Someone you could lend a hand in return for grace

It's a beautiful day
Sky falls, you feel like
It's a beautiful day
Don't let it get away

You're on the road, but you've got no destination
You're in the mud, in the maze of her imagination
You love this town even if that doesn't ring true
You've been all over, and it's been all over you

It's a beautiful day
Don't let it get away
It's a beautiful day
Ooh-hoo-hoo

Touch me
Take me to that other place
Teach me
I know I'm not a hopeless case

See the world in green and blue
See China right in front of you
See the canyons broken by cloud
See the tuna fleets clearing the sea out
See the Bedouin fires at night
See the oil fields at first light
And see the bird with a leaf in her mouth
After the flood all the colors came out

It's a beautiful day
Don't let it get away
Beautiful day

Touch me
Take me to that other place
Reach me
I know I'm not a hopeless case

What you don't have you don't need it now
What you don't know you can feel it somehow
What you don't have you don't need it now
Don't need it now
Was a beautiful day

Perfect Couple – Wedding Album – Lyrics

When You Say Nothing At All

(Original by Ronan Keating)

It's amazing how you
Can speak right to my heart.
Without saying a word
You can light up the dark.

Try as I may, I could never explain
What I hear when you don't say a thing.

The smile on your face
Lets me know that you need me.
There's a truth in your eyes
Saying you'll never leave me.
The touch of your hand says you'll catch me wherever I fall.
You say it best when you say nothing at all.

All day long I can hear
People talking out loud,
But when you hold me near (you hold me near)
You drown out the crowd (the crowd, the crowd).

Try as they may, they can never define
What's been said between your heart and mine.

The smile on your face
Lets me know that you need me.
There's a truth in your eyes
Saying you'll never leave me.
The touch of your hand says you'll catch me wherever I fall.
You say it best (you say it best) when you say nothing at all.

The smile on your face
Lets me know that you need me.
There's a truth in your eyes
Saying you'll never leave me.
The touch of your hand says you'll catch me wherever I fall.
You say it best (you say it best) when you say nothing at all.

[Repeat in background until the end:]
You say it best when you say nothing at all.

That smile on your face,
The truth in your eyes,
The touch of your hand
Lets me know that you need me.

Perfect Couple – Wedding Album – Lyrics

Come What May

(Original from Moulin Rouge Soundtrack)

Never knew I could feel like this
Like I've never seen the sky before
I want to vanish inside your kiss
Every day I love you more and more
Listen to my heart
Can't you hear it sings
Telling me to give you everything
Seasons may change
Winter to spring
But I love you
Until the end of time
Come what may
Come what may
I will love you
Until my dying day
Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste
It all revolves around you
And there's no mountain too high
No river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather
And stars may collide
But I love you
I love you
Until the end of time
Come what may
Come what may
I will love you
Until my dying day
Come what may
Come what may
I will love you
I will love you
I will love you
Suddenly the world seems such a perfect place
Come what may
(Come what may)
Come what may
(Come what may)
I will love you
Until my dying day...
'cause this race horse ... has no handicap...
... yeah ... it's like that ...

Perfect Couple – Wedding Album – Lyrics

All Star

(Original by Smash Mouth)

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead
Well, the years start comin' and they don't stop comin'
Fed to the rules and I hit the ground runnin'
Didn't make sense not to live for fun
Your brain gets smart, but your head gets dumb
So much to do, so much to see
So, what's wrong with taking the backstreets?
You'll never know if you don't go (go)
You'll never shine if you don't glow
Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
(And all that glitters is gold)
Only shootin' stars break the mold
It's a cool place, and they say it gets colder
You're bundled up now, wait 'til you get older
But the meteor men beg to differ
Judging by the hole in the satellite picture
The ice we skate is gettin' pretty thin
The water's gettin' warm, so you might as well swim
My world's on fire, how 'bout yours?
That's the way I like it, and I'll never get bored
Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
(All that glitters is gold)
Only shootin' stars break the mold
Go for the moon
(Go, go, go) go for the moon
(Go, go, go) go for the moon
Go (go), go for the moon
Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
(And all that glitters is gold)
Only shooting stars
Somebody once asked, "Could I spare some change for gas?"
I need to get myself away from this place"
I said, "Yep, what a concept, I could use a little fuel myself
And we could all use a little change"
Well, the years start comin' and they don't stop comin'
Fed to the rules and I hit the ground runnin'
Didn't make sense not to live for fun
Your brain gets smart, but your head gets dumb
So much to do, so much to see
So, what's wrong with taking the backstreets?
You'll never know if you don't go (go!)
You'll never shine if you don't glow
Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
(And all that glitters is gold)
Only shootin' stars break the mold
Only shootin' stars break the mold
Go for the moon
Go for the moon
Go for the moon
This is how we do it

Perfect Couple – Wedding Album – Lyrics

You're Still The One

(Original by Shania Twain)

When I first saw you, I saw love
And the first time you touched me, I felt love
And after all this time
You're still the one I love
Mm, yeah

Looks like we made it
Look how far we've come my baby
We mighta took the long way
We knew we'd get there someday

They said, "I bet they'll never make it"
But just look at us holding on
We're still together, still going strong

(You're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss goodnight

Ain't nothing better
We beat the odds together
I'm glad we didn't listen
Look at what we would be missing

They said, "I bet they'll never make it"
But just look at us holding on
We're still together, still going strong

(You're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss goodnight
You're still the one

(Yeah, you're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(Ooh, you're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss goodnight

I'm so glad we made it
Look how far we've come my baby

Perfect Couple – Wedding Album – Lyrics

Come Away With Me

(Original by Nora Jones)

Come away with me in the night
Come away with me
And I will write you a song

Come away with me on a bus
Come away where they can't tempt us
With their lies

And I want to walk with you
On a cloudy day
In fields where the yellow grass grows knee-high
So won't you try to come

Come away with me and we'll kiss
On a mountaintop
Come away with me
And I'll never stop loving you

And I want to wake up with the rain
Falling on a tin roof
While I'm safe there in your arms
So all I ask is for you
To come away with me in the night
Come away with me

Perfect Couple – Wedding Album – Lyrics

All For You

(Original by Sister Hazel)

Finally I figured out, but it took a long long time
And now there's a turnabout, Maybe cause I'm trying

[PRE-CHORUS]

There's been times, I'm so confused
All my roads, They lead to you
I just can't turn, And walk away...

[CHORUS]

It's hard to say, What it is I see in you
Wonder if I'll always, Be with you
But words can't say, And I can't do
Enough to prove, It's all for you

I thought I'd seen it all, 'Cause it's been a long long time
But then we'll trip and fall, Wondering if I'm blind

[PRE-CHORUS & CHORUS]

Rain comes pouring down (Pouring down)
Falling from blue skies (Falling from blue skies)
Words without a sound, Coming from your eyes

[CHORUS - REPEAT]

Perfect Couple – Wedding Album – Lyrics

My Ku'uipo

(Original by Hapa)

Ku'u lei, Ku'uipo
Where are you tonight?
Are you here for a short time?
Or the rest of my life?
Ku'u lei, Ku'uipo
When I'm holding you tight
All the stars seem so much brighter
They light up the night
Ku'u lei, Ku'uipo
I walk in the sand
Here I am with my heart aching
To walk hand in hand
Please keep my heart from breaking
How can I make you understand?
Ku'u lei, Ku'uipo
Where are you tonight?
Are you here for a short time?
Or the rest of my life?
Here I am with my heart aching
To walk hand in hand
Please keep my heart from breaking
How can I make you understand?
Ku'u lei, Ku'uipo
Where are you tonight?
Are you here for a short time?
Or the rest of my life?
Ku'u lei, Ku'uipo
Come love me tonight
All the stars seem so much brighter
They light up the night, you light up the night
Ku'u lei, Ku'uipo, come love me tonight

Perfect Couple – Wedding Album – Lyrics

Endless Love

(Original by Diana Ross / Lionel Richie)

My love
There's only you in my life
The only thing that's bright

My first love
You're every breath that I take
You're every step I make

And I (I-I-I-I-I)
I want to share
All my love with you
No one else will do...

And your eyes
Your eyes, your eyes
They tell me how much you care
Ooh yes, you will always be
My endless love

Two hearts
Two hearts that beat as one
Our lives have just begun

Forever (Ohhhhhh)
I'll hold you close in my arms
I can't resist your charms

And love
Oh, love
I'll be a fool
For you
I'm sure
You know I don't mind
Oh, you know I don't mind

'Cause you
You mean the world to me
Oh
I know
I know
I've found in you
My endless love

Oooh-woow
Boom, boom
Boom, boom, boom, boom, boom
Boom, boom, boom, boom, boom

Oooh, and love
Oh, love
I'll be that fool
For you
I'm sure
You know I don't mind
Oh you know
I don't mind

And, yes
You'll be the only one
'Cause no one can deny
This love I have inside
And I'll give it all to you
My love
My love, my love
My endless love

Perfect Couple – Wedding Album – Lyrics

Freed

[verse 1]

Our love was silent, ancient and bold
The warm breeze of youth eternally froze
I never knew a smile wrapped around my heart
And hope had a name ... and forever a start

[verse 2]

Somewhere in our shattered dreams
Black turned to white
And God ended lonely's reign
To watch a dove take flight

[verse 3]

When sorrow asked for my life
Your touch laid him to rest
Odds that once stood tall
Now bowed before you zest

[chorus]

I was freed!
From the chains of regret
I was freed!
The moment we met
Freed!
Endless through time
Freed in me!

[bridge]

—freed loved me to give all I can
—freed loved me beyond mortal man
—freed to trust in the plan
—freed to live as IAM!

[reprise chorus]

Yes I'm freed!
From boy to a man
I'm so freed!
Joy told us we can
Freed!
Faith born from shame
I AM FREED!!!
I AM FREED!!!

[instrumental bridge]

[outro]

Now fate is small, small in our hands
True love's so quiet, quite in command
I know prayers go unspoken in their plea
But please be freed forever... forever with me
