

Locked In

[intro - chorus]

Get locked in! Yes locked in!
Zero out all fears before we begin
Just locked in! Way locked in!
Ten years strong, design your life to win
There's power in pure focus
—So get locked in!

[verse 1]

Eyes wide like the morning sky
Heart beating fast, a raging fire cannot hide
Worlds spinning wild, distractions everywhere
Haha shuts it out, focuses like a prayer

[pre-chorus]

—no more daydreams floating free
—or sad songs praising scarcity
—she flips the switch, turns doubt around
—whispers softly, “I’m the Slay Queen now!”

[chorus]

Get locked in! Yes locked in!
Zero out all fears before we begin
Just locked in! Way locked in!
Ten years strong, design your life to win
There's power in pure focus
—So get locked in!

[bridge]

—Get locked in! Yes locked in!
—Zero out all fears before we begin
—Just locked in! Way locked in!
—Ten years strong, design your life to win
—There's power in pure focus
—watch us rowdy Bishes go full Darwin!!!

[instrumental solo 1]

[reprise chorus]

Oh, I'm locked in! See my grin!
Nobody told me takeovers were a sin
Hey clock in! Be locked in!
Ain't no stopping yang if she wants to yin
There's power in double digits
So lock the “hell” in!

[outro]

When girls do the impossible ...
... know it's because ...
... we're all locked in!

[instrumental solo 2]

Let Me Cook

[intro - spoken]

Hey Bro... what should I cook?

[verse 1]

Hey Bro... what should I cook?

Ten minutes left, no room to negotiate

I need a burst of genius

A dash of me that percolates

[pre-chorus]

Where should I go? Or just use AI?

Crowds looking on, gotta dazzle these bored eyes!

[chorus]

Hey Bro, let me cook! Let me cook!

A super nova with some cosmic hooks

Bro, let me cook! Let me cook!

Dropping rhymes like an NBA rook

Just let me cook! Let me cook!

Hold back all jealous looks...

[bridge 1]

—how rude, I forgot to introduce myself

—I'm the lyrical stylist, AKA Madame Topshelf

—here to blow your small mindddd

—hit with laser pointed verses doin' hard time

—feel my heat melt away your sublime

[reverb chorus]

Hey Bro, let me cook! Let me cook!

A super nova with some cosmic hooks

Bro, let me cook! Let me cook!

Dropping rhymes like an NBA rook

Just let me cook! Let me cook!

Hold back all them jealous looks...

[pre-chorus]

...Maybe I'm just that good

...A blue eyed verbal star?

...look at all those cell phones

...an influencer who jumps the bar!!!

[final chorus]

Yo bro, let me cook! Let me cook!

A super girl in running brooks

Said let me cook! Let me cook!

Collecting vig like a Vegas book (book)

Just let me cook! Let me cook!

Surf and turf ain't no breakfast nook (nook)

Yeah let me cook! Let me cook!

Just let me cook! Let me cook!

Yes! Just let me cook (cook)

[outro]

"Hit... like .. and... subscribe...

if... you... like... what I ... cooked!"

Peekaboo

[verse 1]

Eyes down, heart loud,
Fading light, wish I were proud
His smile walks by, like a hot day in July
Dry goes my mouth, hope he asks me out

[pre-chorus]

—One stupid wave—damn I'm so shy
—pulse racing—I'd rather scream than die!

[chorus]

Peekaboo, I see you
Peekaboo, will you come through
Peekaboo, I see you
Peekaboo, I AM who I AM
Said I AM who I AM
Peekaboo

[bridge 1]

"Walk don't run this back"

[verse 2]

I'm brave enough to say, "I can't begin"
My head spinning, so the moment wins
Coffee bars and teddy bears
Turn me red—every time he stares

[pre-chorus]

—fantasyland—another adorable gaze—
—I need some help—hey, besties pull me up!

[chorus]

Peekaboo, I see you
Peekaboo, will you come through
Peekaboo, I see you
Peekaboo, I AM who I AM
Said I AM who I AM
Peekaboo

[bridge 2]

... ok, no more hide and seek
... it's now or never, chirp and speak up
... confessions child, are you into me?
... 'cause I'm a lioness, a hunter but weak!!!

[chorus]

Peekaboo, I see you
Peekaboo, will you come through
Peekaboo, I see you
Peekaboo, I AM who I AM
Said I AM who I AM
Peekaboo

[bridge 3]

—oh no—I think I'm falling for you
—tell me it's ok—are you weightless too?

[reprise chorus]

Peekaboo, yes... I see you
Peekaboo, bet you're feeling it too
Peekaboo, can only be what I AM
'cause I AM who I AM
Yes, I AM who I AM
But probably's not a plan ...
Being scared is such a sham...

[outro]

Forget our puppy love... how do couples know?
Guess its on us... to make this river flow
Without peakaboos
Without peakaboos
Just me ... and just you....

Just Like That

[verse 1]

Woke up one morning, everything changed
After nine months, babies cry—how insane!
My heart beat faster, can't explain why
Life's goin' quick, nowhere to hide

[pre-chorus]

No warning signs, no time to prepare
Luck turns in a blink, thick out of thin air!

[chorus]

Just like that, yeah just like that
Forever bonds, when trains slide off the tracks
Just like that, oh just like that
Mouths open wide, yes mountain peaks crack
Just like that, destiny falls from the sky
Nations go bankrupt, as unsung heros arrive
Every-damn-thing changes
... just like that
... just like that
... it's a matter of fact!

[verse 2]

One minute you're golden, the next you're blue
Rich today, tomorrow back paying dues
No rhyme or reason, guess how it goes
God whispers "Now" suddenly the world knows

[pre-chorus]

No warning signs, no time to prepare
It all flips in a second, out of thin air

[chorus]

Just like that, yeah just like that
Forever bonds, when trains slide off the tracks
Just like that, oh just like that
Mouths open wide, yes mountain peaks crack
Just like that, destiny falls from the sky
Nations go bankrupt, as unsung heros arrive
Every-damn-thing changes
... just like that
... just like that
... it's a matter of fact!

[bridge]

—Don't chase tomorrows
—or plan everything out
—Live in the moment
—experience all pain, fear and doubt
—There's magic in heartbreak
—life lessons in defeat
—Nothin' great's ever given,
—gotta take your sour with the sweet
—and pray to God you land on your feet!
—just like that!!!

[final chorus]

Just like that, yeah just like that
Forever bonds, when trains slide off the tracks
Just like that, oh just like that
Mouths open wide, yes mountain peaks crack
Just like that, destiny falls from the sky
Nations go bankrupt, as unsung heros arrive
And every-damn-thing changes
... just like that
... just like that
... it's a matter of fact!

[outro]

... just like that
... just like that

Honest

[chorus]

To be honest, please don't fake it anymore
Cause slow feet keep dragging' on my floor
I'll be honest, a few laughs is all we really need
Gotta to be honest (honestly)
bury all those weak ass apologies
Just be honest
Please be honest

[verse 1]

Blah late night texts, throw me off my schedule
You say "your fine," but that inside voice's dead
Smiling through screens like it's no big deal
But I sense cracks—why not just live as real

[pre-chorus]

Even fresh sunshine says you're blacking out
Just be yourself, scream if you cannot shout!

[chorus]

To be honest, please don't fake it anymore
Cause slow feet keep dragging' on my floor
I'll be honest, a few laughs is all we really need
Gotta to be honest (honestly)
bury all those weak ass apologies
Just be honest
Please be honest

[verse 2]

... you can dance around it, repeat what's said
... but every sleep under, you lose more cred
... aren't you tired of playing games so lazy...
... level up, girl... your mood ring's dying daises

[bridge 1]

— Scrollin' through old pictures—now I see all your bad vibes—every laugh, look and gesture—makes me cringe to use my third eye—hard to be your
"friend" when sadness lobbies to die!!!

[chorus]

To be honest, please don't fake it anymore
Cause slow feet keep dragging' on my floor
I'll be honest, a few laughs is all we really need
Gotta to be honest (honestly)
bury all those weak ass apologies
Just be honest
Please be honest

[bridge 2]

...and when feelings go flyin'...there's no more quiet denyin'...must own your own day...til you're bad juju's ready to delete...no short-cuts in being
galacticy elite!

[reprise chorus]

To be honest, don't you hate no more
Nix the sad face it weighs down your core
Let's be honest, consistency's what this bestie needs
It's easy to be honest (honestly)
Truth burns every dead head weed
See I'm honest, please don't take it wrong
A few belly laughs lasts all summer long
Yes be honest (honestly)
happiness is the world's harmony

[outro]

It's not too late... to be honest
Souls glow when they smile effortlessly

Popcorn

[verse 1]

Got the rest of the day in front of me
Not a care threatens my world
Comfy couch, you tube, a new cell phone
Two blankets, a mini-doodle curled

[pre-chorus]

Oh my, what a heavenly experience
Being so loved less any consequence

[chorus]

Life should be like popcorn
One color, no calories to burn
Stupid easy with fresh popcorn
Salty sweet, nothing ever to learn
Please bring me more popcorn
'Cause divas should be so adorned

[verse 2]

Don't get it wrong, I try hard in class
Listen up and follow all the golden rules
but when I come home, a girl needs to nap
spread out my dawgs, request some snacks

[bridge 1]

Nobody cares about your political crap...

[instrumental solo 1]

[chorus]

Life should be like popcorn
One color, no calories to burn
Stupid easy with fresh popcorn
Salty sweet, nothing ever to learn
Please bring me more popcorn
'Cause divas should be so adorned

Each kernal, a hot miracle reborn
Happiness is like good popcorn
Parmesan cheese, I mourn when it's gone
Please buy me more popcorn
Little mamma's need their popcorn

Clearly

I can see clearly now, the rain is gone
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright), bright (bright)
Sun-shiny day
It's gonna be a bright (bright), bright (bright)
Sun-shiny day
I think I can make it now, the pain is gone
All of the bad feelings have disappeared
Here is the rainbow I've been prayin' for
It's gonna be a bright (bright), bright (bright)
Sun-shiny day
Look all around, there's nothin' but blue skies
Look straight ahead, nothin' but blue skies
I can see clearly now, the rain is gone
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright), bright (bright)
Sun-shiny day
It's gonna be a bright (bright), bright (bright)
Sun-shiny day
Gonna be a bright (bright), bright (bright)
Sun-shiny day
Oh, what a bright (bright), bright (bright)
Sun-shiny day...

Hey Sissy

[chorus]

Hey Sissy... the time's come to say good-bye
Hey Sissy... forget the reasons as to why
Hey Sissy... now's your chance to really fly
Hey Sissy... it's ok to flower while still alive
Cause no more tears must be cried
Yes no more tears must be cried

[verse 1]

Can't be giving' and not receivin', girl
Stop helping those who deny your pure fun
Never have you lacked any confidence
But victory honors the brave who dare to run

[pre-chorus]

Oh, you're already a celebrity
Baby, come home, no more Vegas trips
Help little legends into bright mumu skirts
So waterfalls of endless grace never quit

[chorus]

Hey Sissy... the time's come to say good-bye
Hey Sissy... forget the reasons as to why
Hey Sissy... now's your chance to really fly
Hey Sissy... it's ok to flower while still alive
Cause no more tears must be cried
Yes no more tears must be cried

[bridge]

—Daughters of Hawaii we shall rally and unite
—loosen up those leis, ladies, we end this fight
—let's build a divine wa-hee-neh ranch of our own
—serving God's ohana from our sacred home!

[spoken]

—as Mu rises and heaven restores Her throne!!

[reprise chorus]

Hey Sissy... the time's come to say good-bye
Hey Sissy... forget the reasons as to why
Hey Sissy... now's your chance to really fly

Hey Sissy... a barefoot kicks each heavy sigh
Hey Sissy... please trust yourself as do I
Please trust yourself as do I
Yes trust yourself as do I
trust yourself and Kay-po too
