Any Day Now

(Cover by John Pagano)

(Original by Burt Bacharach)

Any day now
I will hear you say "Goodbye, my love"
And you'll be on your way
Then my wild beautiful bird, you will have flown, oh
Any day now
I'll be all alone, whoa
Any day now
When your restless eyes meet someone new
Oh, to my sad surprise
Then the blue shadows will fall all over town, oh
Any day now (any day now)
Love will let me down (any day now), whoa
I know I shouldn't want to keep you
If you don't want to stay-ay
Until you gone forever
I'll keep holding on for dear life
Holding you this way
Begging you to stay
Any day now
When the clock strikes, "Go"
You'll call it off
And then my tears will flow
Then my wild beautiful bird, you will have flown, oh
Any day now (any day now)
Love will let me down (any day now)
'Cause you won't be around
Ohh, then the blue shadows will fall all over town, oh
Any day now (any day now)
Love will let me down (any day now)
'Cause you won't be around

Sheltered

(Cover by John Pagano)

(Original by Burt Bacharach)

Tonight came so quickly that it caught me by surprise
And I felt so helpless
When I looked into your eyes

Miracles happening everyday
It's like I caught my falling star
Just that love seemed so far away
Now you're sheltered in my arms
Sheltered in my arms
Sheltered

Yesterday's gone all those memories fade to grey
But life carries on nothing standing in its way
All my life I've waited for this day
Now you've opened up my heart
I promise you our love will stay
Sheltered in my heart

Oh, I believe in second chances
Put your heart into my hands
From now on I'll keep you safe and warm
Holding you in the shelter of my arms

[instrumental solo]

Miracles happening everyday
It's like I caught my falling star
And I know if ever you feel alone
I will run to war you are
Now I promise you our love will stay
Sheltered in my arms
Once you seemed so far away
Now you're sheltered in my arms
Love seemed so far away
Now it's sheltered in my arms

Time After Time

(Cover by John Pagano)
(Original by Frank Sinatra)

Time after time
I tell myself that I'm
So lucky to be loving you

So lucky to be
The one you run to see
In the evening, when the day is through

I only know what I know
The passing years will show
You've kept my love so young, so new

And time after time
You'll hear me say that I'm
So lucky to be loving you

I only know what I know
The passing years will show
You've kept my love so young, so new

And time after time
You'll hear me say that I'm
So lucky to be loving you

Tender Trap

(Cover by John Pagano)
(Original by Frank Sinatra)

You see a pair of laughing eyes
And suddenly your sighing sighs
You're thinking nothing's wrong
You string along, boy, then snap

Those eyes, those sighs
They're part of the tender trap

You're hand in hand beneath the trees
And soon there's music in the breeze
You're acting kind of smart
Until your heart just goes wap
Those trees, that breeze
They're part of the tender trap

Some starry night
When her kisses make you tingle
She'll hold you tight
And you'll hate yourself for being single

And all at once it seems so nice
The folks are throwing shoes and rice
You hurry to a spot
That's just a dot on the map
You're hooked, you're cooked
You're caught in the tender trap

Some starry night
When her kisses make you tingle
She'll hold you tight
And you'll hate yourself for being single

And all at once it seems so nice
The folks are throwing shoes and rice
You hurry to a spot that's just a dot on the map

And then you wonder how it all came about
It's too late now, there's no getting out
You fell in love and love is the tender trap

This Guy's In Love

(Cover by John Pagano)

(Original by Herb Alpert)

[instrumental intro]

You see this guy
This guy's in love with you
Yes I'm in love
Looks at you the way I do
When you smile
I can't tell
We know each other very well
How can I show you
I'm glad I got to know you
Because I've heard some talk
They say you think I'm fine
Yes I'm in love
And what I do to make you mine
Tell me now
It's it so
Don't let me be the last to know
My hands are shaking
Don't let my heart keep breaking, 'cause
'Cause I want your love
I need your love
Say your in love
In love with this guy
If not I just die

[instrumental break]

Wow, tell me now
Is it so
Don't let me be the last to know
My hands are shaking
Don't let my heart keep breaking,
'cause I want your love
I need your love
Say your in love
In love with this guy
If not I just die...

[instrumental outro]

Everlasting Love

(Original by John Pagano)

How can I explain
I try to find the words to say
But then again the words don't mean a thing

It's just the things you do
That make me feel this way for you
And I know you can feel it too
Every time your'e near
Everything becomes so clear
And I know where you belong

In my heart
In my soul
There's a everlasting love for you
If we part
Or grow old
There is one thing that remains true
I'll give my everlasting love to you

No one understands
The way we feel about each other
But what we have is more than they can see
And the things that people say
You just turn and walk away
Because you trust me and you're not afraid
How can I go wrong
With a girl like you so strong
And there will always be a place

In my heart
In my soul
Is my everlasting love for you
If we part
Or grow old
There is one thing that remains true
I'll give my everlasting love to you

Never gonna stop feeling this way
Cause when I look into your eyes

I know that there's a place
In my heart
Everlasting love for you
If we part
Or grow old
There is one thing that remains true
I'll give my everlasting love... to you

Night And Day

(Cover by John Pagano)

(Original by Frank Sinatra)

Night and day, you are the one
Only you 'neath the moon or under the sun
Whether near to me or far
It's no matter, darling, where you are
I think of you day and night

Night and day, why is it so
That this longin' for you follows wherever I go?
In the roarin' traffic's boom
In the silence of my lonely room
I think of you day and night

Night and day, under the hide of me
There's an, oh, such a hungry yearnin' burnin' inside of me
And its torment won't be through
'Til you let me spend my life makin' love to you
Day and night, night and day

Night and day, you are the one
Only you 'neath the moon or under the sun
Whether near to me or far
It's no matter, baby, where you are
I think of you day and night

Night and day, why is it so
That this longin' for you follows wherever I go?
In the roarin' traffic's boom
Silence of my lonely room
I think of you day and night

Night and day, under the hide of me
There's an, oh, such a hungry burning inside of me
And its torment won't be through
'Til you let me spend life makin' love to you
Day and night, night and day

All My Tomorrows

(Cover by John Pagano)
(Original by Frank Sinatra)

Today I may not have a thing at all
Except for just a dream or two
But I've got lots of plans for tomorrow
And all my tomorrows belong to you

Right now it may not seem like spring at all
We're drifting and the laughs are few
But I've got rainbows planned for tomorrow
And all my tomorrows belong to you

No one knows better than I
That luck keeps passing me by
That's fate
But with you there at my side
I'll soon be turning the tide
Just wait

As long as I've got arms that cling at all
It's you that I'll be clinging to
And all the dreams I dream, beg, or borrow
On some bright tomorrow
Will all come true

And all my bright tomorrows belong to you

Call Me Irresponsible

(Cover by John Pagano)
(Original by Frank Sinatra)

Call me irresponsible
Call me unreliable
Throw in undependable too

Do my foolish alibis bore you
Well, I'm not too clever
I just adore you

Call me unpredictable
Tell me I'm impractical
Rainbows, I'm inclined to pursue

Call me irresponsible
Yes, I'm unreliable
But it's undeniably true
I'm irresponsibly mad for you

Go on and call me unpredictable
Tell me that I'm impractical
Rainbows I'm inclined to pursue

Go ahead and call me irresponsible
I admit I'm unreliable
But this undeniably true
Pretty baby I'm irresponsibly mad for you

Ain't That A Kick In The Head

(Cover by John Pagano)
(Original by Dean Martin)

How lucky can one guy be?
I kissed her and she kissed me
Like the fella once said,
"ain't that a kick in the head?"
The room was completely black,
I hugged her and she hugged back
Like the sailor said, quote,
"ain't that a hole in the boat?"

My head keeps spinnin',
I go to sleep and keep grinnin'
If this is just the beginnin',
My life is gonna be bee-yoo-tee-ful

I've sunshine enough to spread,
It's just like the fella said
Tell me quick, ain't love a kick in the head?

Like the fella once said,
"ain't that a kick in the head?"
Like the sailor said, quote,
"ain't that a hole in the boat?"

My head keeps spinnin',
I go to sleep and keep grinnin'
If this is just the beginnin',
My life is gonna be bee-yoo-tee-ful

She's tellin' me we'll be wed,
She's picked out a king-size bed
I couldn't feel any better or i'd be sick
Tell me quick oh, ain't love a kick?
Tell me quick ain't love a kick in the head?

Let's Fall In Love

(Cover by John Pagano)
(Original by Frank Sinatra)

I have a feeling
It's a feeling I'm conceiving
I don't know why
It's just a mental, incidental, sentimental alibi
But I adore you
So strong for you
Why go on stalling
I am falling
Love is calling
So why be shy

Let's fall in love
Why shouldn't we fall in love
Our hearts are made of it
Let's take a chance
Why be afraid of it

Let's close our eyes
And make our own paradise
Little we know of it
Still we can try to make a go of it
We might have been meant for each other
To be or not to be, let our hearts discover

Let's fall in love
Why shouldn't we fall in love
Now is the time for it, while we are young
Let's fall in love

[instrumental solo]

Now we might have been meant for each other
To be or not to be, let our hearts discover

Let's fall in love
Why shouldn't we fall in love
Now is the time for it, while we are young
Let's fall in love

Let's take a chance on it
Why be afraid of it
Let's do it
Let's fall in love

Mobcoin - Crooner Ave - Lyrics

Talk to Me

(Cover by John Pagano)
(Original by Frank Sinatra)

Talk to me
Talk to me
Talk to me

Your magical kiss can take me just so far

Talk to me
Talk to me
Talk to me

Don't leave me like this dangling from a star

You set me all aflame and it's so pleasin'
It sure would be a shame if you were only teasin'

So my love, before I go turn the light way down low

And talk to me
Talk to me
Talk to me

(Instrumental solo)

Your magical kiss can take me just so far

(Instrumental solo)

Don't leave me like this dangling from a star

You set me all aflame and it's so pleasin'
It sure would be a shame if you were only teasin'

So my love, before I go turn the light way down low

And then talk to me
Talk to me
Talk to me

Mobcoin - Crooner Ave - Lyrics

Calm

[verse 1]

The sun was almost down
When the sand beneath my dreams just washed away
I was alone, living my life unknown
Does a heart always break this way?

[pre-chorus]

Then a voice said hello in a whisper
One smile from your perfect face and I knew I was home!

[chorus]

How can I be calm?
When your eyes see right through me
And your smile sets my heart free... tell me now
Do feelings last this long?
Without you I just can't breathe, girl
'Cause only your love lets me be this calm

[verse 2]

The moon was on the run
Watching first light warm the night into the day
Life sailed on and time never proved us wrong
Girl, the thought of you sends fear away

[pre-chorus]

Now I hear silence where my heart was beating
Gravity is all around, but love can't be held down!

[chorus]

How can I be calm?
When your eyes see right through me
And your smile sets my heart free... tell me now
Do feelings last this long?
Without you I just can't breathe, girl
'Cause only your love lets me be this calm

[bridge]

—nothing's as I planned it
—oh, this life's seen a beauty it doesn't understand
—everything must change, but truly love remains... forever!!!

[reprise chorus]

How can I be calm?
When your eyes see right through me
And your smile sets my heart free... tell me now
Do feelings last this long?
Without you I just can't breathe, girl
'Cause only your love lets me be this...
Yes, only your love lets me be ... this calm

[outro]

Be this calm

Wives And Lovers

(Cover by John Pagano)
(Original by Frank Sinatra)

Hey, little girl, comb your hair, fix your make-up, soon he will open the door
Don't think because there's a ring on your finger, you needn't try any more

For wives should always be lovers too
Run to his arms the moment that he comes home to you

I'm warning you
Day after day, there are girls at the office and the men will always be men
Don't send him off with your hair still in curlers, you may not see him again

Wives should always be lovers too
Run to his arms the moment he comes home to you

He's almost here

Hey, little girl, better wear something pretty
Something you wear to go to the city
Dim all the lights, pour the wine, start the music, time to get ready for love
It's time to get ready for love, yes it's time to get ready for love
It's time to get ready, kick your shoes off, baby

Mobcoin - Crooner Ave - Lyrics

Pure Imagination

(Cover by John Pagano)
(Original by Gene Wilder)

Come with me
And you'll be
In a world of pure imagination
Take a look and you'll see
Into your imagination

We'll begin with a spin
Traveling in the world of my creation
What we'll see will defy explanation

If you want to view paradise
Simply look around and view it
Anything you want to, do it
Wanna change the world?
There's nothing to it

Come with me
And you'll be
In a world of pure imagination
Take a look and you'll see
Into your imagination

There is no life I know
To compare with pure imagination
Living there you'll be free
If you truly wish to be
Living there you'll be free
